Dear Parents and Guardians,

Our 2019 – 2020 yearbook is now on sale. The yearbook was created by our dedicated Yearbook Committee and is a wonderful way to commemorate your student's school year.

- The yearbook consists of 76 full-colour glossy pages with a sturdy soft cover.
- Each class has a double spread that includes individual student photos taken on picture day.
- The book showcases photos taken at events throughout the school year, including photos capturing the distance learning experience.
- All yearbooks will be delivered to the school in December 2020. (This will allow us to include photos taken at the graduation ceremony planned for the fall.)
- There are various enhancement options available:

Personalized cover: Your student's portrait and name printed directly on the cover. *(Requires the student to have had their school portrait taken during picture day or retake day.)* +\$5.50

Zoom Current Events insert: An insert displaying this year's most memorable news, sports, entertainment and more! +\$1.75

Hardcover upgrade: Hardcover stands the test of time with high-gloss lamination. +\$4.75

The cost for the yearbook is \$30.
