St. John XXIII Catholic School Family Donation Fundraiser 2021-22

Monday, November 1, 2021.

Hello SJXXIII Parents/Guardians,

Student safety, well-being, engagement, and sense of belonging form the *pillars* of student success at St. John XXIII CES. Each year, our talented teaching team comes together to set goals for the year. One goal, for instance, is to provide our resilient learners with a *sense of normalcy*, in light of all that they have overcome. In addition, we aim to inspire each *of our students* with a variety of inclusive, Faith-filled, and authentic learning experiences that promote the Catholic Virtues, academic excellence, and a *growth mindset*.

As you may be aware, since March of 2020, schools have been unable to fundraise. While this has not limited *our* resolve, we have not been able to invest in many of the educational enhancements that optimize student learning. Thus, it is with great sense of enthusiasm, we are able to launch our '**Family Donation Fundraiser.**'

What is Involved?

A **one-time donation** to St. John XXIII CES. Every dollar raised will be used to provide enhancements to the learning environment. The opportunities are endless as we strive to replenish and upgrade technology; invite in inspiring guest speakers; and support further STEM/STREAM initiatives. Please see the attached flyer and response form for your review and use.

Thank you for your continued support and partnership.
