# Catholic Education Week at St. John XXIII CES

Plant some seeds in peat pots and put them near a window. Your family can use your break time to tend the plants (e.g., watering etc.).

Go for a Nature Walk as a family and pray together to thank God for all the beauty you see.

Create a message of hope in chalk on your driveway or sidewalk for passersby to read or create a poster to put in a window.

Music makes us happy. Create a playlist of happy music, play this in your backyard or if you are able, send it to a family member or friend you care about.

Take part in a bird count or animal count. Go to Observation Nation ([inaturalist.ca](http://inaturalist.ca)) Take a moment to thank God for all of the beauty you see.
