St. John XXIII Catholic School Family Donation Fundraiser 2022-23

Hello SJXXIII Parents/Guardians,

Student safety, well-being, engagement, and sense of belonging form the *pillars* of student success at St. John XXIII CES. Each year, our talented teaching team comes together to set goals for the year. One goal, for instance, is to provide our resilient learners with a *sense of normalcy*, in light of all that they have overcome. In addition, we aim to inspire each *of our students* with a variety of inclusive, Faith-filled, and authentic learning experiences that promote the Catholic Virtues, academic excellence, and a *growth mindset*.

Similar to last year's school fundraiser, we are enthusiastic to once again launch our '**Family Donation Fundraiser**'. This fundraiser will allow us to invest in many educational enhancements to optimize student learning. Last year, we exceeded our fundraising goals and were able to purchase many learning enhancements such as new Chromebooks; STREAM related materials; classroom white boards; Scientists-in-the-School; athletic jerseys; and much more!

What is Involved?

A **family donation** to St. John XXIII CES. Every dollar raised will be used to provide enhancements to the learning environment. The opportunities are endless as we strive to replenish and upgrade technology; invite in inspiring guest speakers; and support further STREAM initiatives. Please see the attached flyer and response form for your review and use.

Thank you for your continued support and partnership.
