Dear Sir/Madam,

Re: St. John XXIII Catholic Elementary School 50th Anniversary

Greetings!

St. John XXIII Catholic Elementary School is proud to announce our 50th anniversary! We are celebrating this milestone within the Markham/Unionville community with many events taking place on May 4, 2023. We will be celebrating all week long and will end our event with a School Mass, community gathering and the Celebration and Alumni Barbeque where we will host dignitaries, School Board Trustees, members of our Catholic School Board and many alumni and community members.

As part of the Markham/Unionville community since 1972, we are looking forward to your involvement in this momentous event. We are creating a commemorative program which will include pictures and memories of the past 50 years, all which will include our theme 'There's no place like home...' Also, inclusive in this program will be letters from many dignitaries congratulating the school on our achievement. As part of the community, many of your patrons and employees may have attended our school or are close to those who have. This program will help to promote your commitment and involvement in the community.

Included in this communication are details of the many levels of sponsorships. Your company will benefit by having your advertisement beautifully displayed in our "**St John XXIII CES 50th Anniversary**" program. Your company will also receive a thank you acknowledgement. Many attendees live in either Markham, Unionville or close proximity and our event will have in attendance parents, aunts, uncles, grandparents, friends and community members. We anticipate over 500 participants throughout the week and during our Celebration and Alumni Barbeque.

Thank you again for taking the time to review our package. It is with the generosity of businesses like yours that will make "**St. John XXIII CES 50th Anniversary**" an event that will bring the community together. If you have any questions, please feel free to contact the school at:
